VISION & MISSION STATEMENT

MILLENNIAL MISSION STATEMENT

The Millennium Education aims to be a global school committed to meeting the needs and ambitions of a diverse range of students by providing challenging academic programs underpinned by globally accredited qualifications, social diversity, innovation, academic excellence and entrepreneurial a centered achievement.

“The Millennium Education aims to bring out the best in a child/student mentally, intellectually, academically, physically, socially, entrepreneurially and culturally by developing the attitudes, skills, knowledge and values amongst the students, thus required to meet the Global Challenges as Millennials in the 21st century through advancement in our school curriculum, teaching pedagogy, school culture, qualification, learning environment and enabling technology.”

MILLENNIAL VALUES

The values that are broadly shared at TME are not just practiced thoroughly but they also outline the framework within which the schools strives for excellence in achieving its goals through the school Development Plan. Students, staff members, learning community and employees are engaged intellectually, motivated intrinsically act with integrity, respect others and take responsibility growth and respect within and outside the school community.
